Key: ✓✓ return to onsite five days

Vulnerable children and children of people on the authorised provider and authorised worker list are able to continue attending onsite.

Ungraded students with disability in specialist and mainstream schools return to onsite learning with their year level equivalent cohort.

The settings above are indicative only and are subject to change. They are indications based on the presently available public health evidence (including epidemiological evidence). All future directions will be made on the basis of public health evidence (including epidemiological evidence) as it exists at the time the directions are made. Based on the evidence at that point in time, the Chief Health Officer (or other authorised officer) must consider the directions to be reasonably necessary to protect public health, give proper consideration to human rights under the Charter of Human Rights and Responsibilities 2006 (Vic), and make decisions that are compatible with human rights under the Charter.

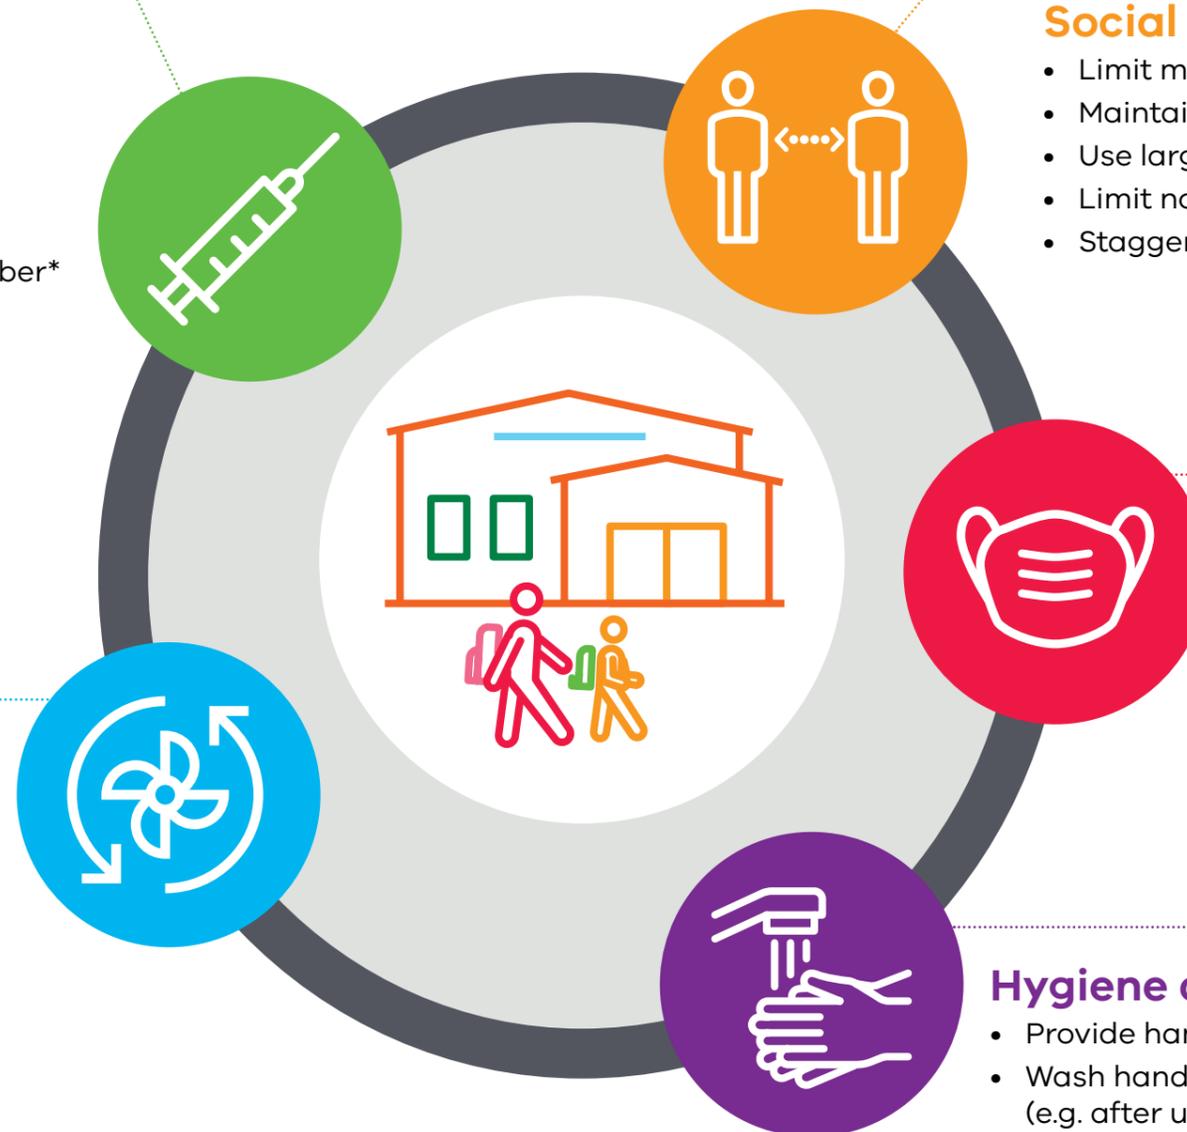

## Vital COVIDSafe steps

### Vaccination

- Getting vaccinated is the best way to be protected from and prevent the spread of COVID-19
- All staff working in schools will be required to have received a first dose COVID-19 vaccination by 18 October and to be fully vaccinated by 29 November\*

### Ventilation

- All schools will continue to maximise ventilation through opening windows and doors and setting air conditioners to use outside air, where possible
- Ventilation audits and CO2 monitoring are being conducted
- A total of 51,000 air purifiers will be distributed to Victorian schools from the start of Term 4
- And all government schools and low-fee non-government schools will be able to install new shade sails to expand outdoor learning spaces

### Social distancing

- Limit mixing with other year levels
- Maintain physical distancing
- Use large spaces (e.g. halls)
- Limit non-essential visitors and density limits in common areas
- Staggered start and finish times and breaks

### Face masks

- **Mandatory for all adults, and students Grade 3 and above**
- Mandatory indoors and outdoors
- **Recommended for Prep to Grade 2 students**
- Make sure masks are washed regularly/ disposed correctly

### Hygiene and testing

- Provide hand-washing stations
- Wash hands regularly and at key points (e.g. after using toilet)
- Get a test even with the mildest of symptoms
- Isolate until you receive your test results

\*Exemptions will only be for staff with a signed medical certificate
